

11. Student's Personality Development- Activities

SRI GURU TEGH BAHADUR INSTITUTE OF MANAGEMENT & IT

Personality Development Lab

The college has well established PDP lab in order to develop the soft skills of students like competency in English communication- Listening, Speaking, Reading and Writing, Leadership ability, Team Work, Time Management etc. and groom them according to the needs of the corporate world. Good communication skills are indispensable for the success of any professional. The motto of Personality Development lab is to develop character with competence. It emphasizes on invoking hidden soft skills which are very vital to stay and deal in the current scenario of cut-throat competition.

Various workshops and training sessions are conducted by various experts from the professional world so as to develop communication skills, and to learn about technical presentations and industrial etiquettes. We have inhouse trained faculties for conducting practical sessions. The workshop comprises of various modules addressing key aspects of personality development, including self-awareness, effective communication, stress management, and emotional intelligence. Activities ranged from group discussions and role-playing to mindfulness exercises.
