SEMINARS SINCE AUGUST 2022

1. Seminar on "Changing Contours of Institutions and practices comparing India and Europe"

SGTBIMIT attended the conference with the students organized by Directorate of International Affairs Guru Gobind Singh Indraprastha University, Delhi where the Theme of the conference was "Changing Contours of Institutions and practices comparing India and Europe" on August 8, 2022.

The presence of guests who enriched the conference are Sh. Manoj Kumar (Registrar, GGSIPU), Mr. Seppo Nurmi (Deputy Head Delegation of European Union), Mr. Sanjay K. Dewan (Honorary General Council), Sh. Manjeev Singh Puri (Ambassdor), and the conveners were Prof. (Dr.) Vijita Singh Agarwal (Director International Affairs, GGSIPU) and Dr. Sheetal Sharma (Centre of European Studies, JNU).

A valuable keynote speech was also presented during the event. The genesis of the conference originated from the idea of an innovative vision and a spectrum of global events occurring throughout the world with special emphasis on Europe and India. India and Europe are conveyors of primary beliefs of unique pertinence to the present world, thoughts that require a mix of the antiquated and the contemporary, of the old and the new, of the past and the future. Since young researchers and scholars shall play a significant role in building and structuring the new philosophies and ideas, it is imperative to understand and evaluate these new strategies from a fresh perspective.

The conference theme revolved around- Migration and Social Integration, Conflict, Peace, and Security Issues, Demographic Transformation, Social and economic Institutions and Practices, Culture, Religion, and Society and Democracy and Political change.

It was indeed an informative conference and there is an enlightening opportunity for the students to apply for the course which is free of cost regarding European Indian Relationships.
