## CONGRATULATIONS !!

### 6W RESEARCH SELECTIONS 2021

A heartiest congratulations to the students selected by 6W Research for the year 2021.

6Wresearch is the premier, one stop market intelligence and advisory center, known for its best-in-class business research and consulting activity. They provide industry research reports and consulting service across different industries and geographies which provide industry players an in-depth coverage and help them in decision making before investing or enter into a particular geography. Over the years, 6Wresearch has made strong footholds in Global Research Solutions with tracking over 500 products periodically and executed over 10,000 projects with more than 700 clients. Their operation globally includes data collection centres, field agencies, and knowledge partnership. They have been successfully catering our clients with services ranges from market entry to penetration strategies. Their services portfolio consists of vast offerings for both product and business expansion backed by robust research & forecasting model and in-house databases. They also have been major knowledge contributor in key events across Globe

They have offered the students of BBA, BBA [Banking and Insurance] and BCA with a profile of Certification Course in Market Research with a package of Rs.2-3 LPA and many other additional benefits to their employees.

Following are selected students for this profile:

Manan Sharma from BBA

Priyanka Sharma from BBA

Vishal Chandra from BCA

Aditi Sharma from BBA

We wish all the students, all the best for their future endeavours. May you reach greater heights in your life and career.

Once again, Congratulations to all the students.

Regards,  
Placement Cell
